

# 1/2

FRIDAY, MAY  
20, 2016

Dear First/Second Families,

As the school year winds down, we are getting more and more busy. Students will work in the 1/2 garden on Monday the 23rd, in the afternoon. Students will help till the garden and plant vegetables.

Students have been presenting their Flat Stanley projects to the class and they have been great! It has been nice seeing where Flat Stanley traveled to. Please send in your child's Flat Stanley, so that they can start their project.

Both classroom teachers have started reading *The Lion, The Witch, and The Wardrobe* by C.S. Lewis for read aloud.

1/2 classrooms also collected insects outside this week and organized them by similarities. Students really enjoyed this and seeing how many insects are around us.

On Wednesday, students took the Star 360 Math assessment. They will complete the reading on Wednesday, May, 25th. We will then send home their progress reports from this assessment.

Students did a great job at the Spring concert, and it was great to see how much they have grown!

Mrs. Hook's class prepared a Carrot, Apple Salad with Yogurt Dressing for the whole school to try as part of the Taste of

Tunbridge by Farm 2 School. Students were awesome with making it, serving it, and tallying if students liked it. These recipes may show up in future cafeteria menus.

Mrs. Brown with the First Graders started Junior Achievement. They have begun to learn about careers, community, family, needs and wants.

Mrs. Brown is searching for a shark puppet that has come up missing. If your child finds it, please send it on.

We hope you have a terrific weekend and enjoy the weather!

Mrs. Hook, Mrs. Brown

\*Garden Day is May 23rd

\*Star 360 Reading is May 25th

\*Mrs. Hook will have a sub on May 26th

First Grade Foundations: We will continue to review multi-syllabic words and v-e syllables.

Second Grade Math: Students are working on telling time to five minute intervals.

Second Grade Foundations: We will have a test on unit 15 on Monday, May 23rd.
