Dear First and Second Grade Families,

This week students got back into the routines of school. It was nice hearing their stories from vacation and seeing how excited they were to see their friends. We had an assembly on Wednesday and Mr. Farnsworth and Ms. Howe talked about Read Across America. **On Friday, students can come in dressed as their favorite book character!** They should also bring with them the book. If your child doesn't have the book, we will find it for them here.

First and Second Graders will also be starting a social studies unit on mapping, which will lead to learning about the New England states.

Friday the 11th, is Winter Carnival and noon release for students. Please send your child in with extra warm gear in case we are able to do outdoor activities.

Second Graders had a Foundation's test on unit 10 today, and they will begin unit 11 on Monday. In Math, they will continue to work on regrouping to the hundred's place. First Graders are also continuing to work on place value.

**"You're never
too old, too wacky, too wild,
to pick up a book and
read to a child."
-Dr. Seuss**

Have a great weekend!

Mrs. Brown, Mrs. Hook

Mrs. Hook and Mrs. Brown will both be out on this Friday.
