

First and Second Grade

Dear First and Second Grade Families,

Welcome Back! This morning was a little hectic knowing where to go but I think all of the students know now. Regardless of homeroom your first grade student will be with Mrs. Brown for Foundations and Math. Your second grade student will be with Mrs. Hook for Foundations and Math. You should have a schedule in his/her folder for the homeroom your child is in. Please make sure that your child has sneakers for PE days.

This year the folder will go back and forth every day for any information we need to share. Second grade students will have math every day. Eventually first and second will both have reading journals nightly. Tonight there is a Foundations orientation letter, lots of paperwork for office, schedule, and for second graders math homework.

Second graders will have math homework every night except Friday. If I feel that we need to work longer on a section in the math book before going on, I will send supplemental homework or none.

There will be a newsletter going home every Friday afternoon from both teachers.

Mrs. Hook's classroom has a pet bunny named Cookie. He is litter box trained and very friendly. He travels

between the two classrooms. Please let me know if your child has allergies.

We will also be sending home Scholastic book orders this year. You will find one in your child's folder on Friday. This will need to be returned by Friday, September 4th. You may also order books online. We love Scholastic book orders because it helps your child love reading and gets books for the classrooms!

Any questions at anytime, Mrs. Brown's e-mail is rbrown@tunbridgeschool.org and my home phone number is 802-296-7069. Mrs. Hook's email is chook@tunbridge.k12.vt.us and my home number is 802-685-0020

Thank You,
Mrs. Brown
Mrs. Hook
