First and Second Grade Valentine's Party

Dear First and Second
Grade Families,

This week we had a fun week of showing our spirit. This afternoon all students were surprised by a celebration of school spirit in the gym, where students got to play a waterfall activity.

We are finishing up our habitat unit and will be moving onto learning about New England states and then liquids and

Students are continuing to learn and practice Spanish every week.

Second Graders are making great progress with their typing skills.

Today, we practiced a school-wide fire drill and the kids did great.

Thank you to all the parents that were able to send in goodies for our Valentine's party. We really appreciated it, and the kids had a fun time being kind to each other.

We hope that you all have a great break and also get time to relax in your busy schedules.

Mrs. Hook, Mrs. Brown

First Grade Foundations:

Students had a test on unit 9, and the unit 10 packet will be going home.

First Grade Math: We are continuing to work on place value.

Second Grade Foundations:

Second Graders will take a test on Unit 10 on the Thursday following vacation.

Second Grade Math:

Students are working on regrouping to the hundred's place when subtracting. They are doing well with this lesson.
