

THIRD GRADE CLASS TRIP

MONTSHIRE MUSEUM OVERNIGHT

Thurs. May 11– Fri. May 12, 2017

Dear Families,

It's almost time for the fantastic third grade class trip to the Montshire Museum of Science! We are all very excited for this overnight camp-in, generously supported by the Tunbridge School Club. I have attached details as well as a permission slip. I have your child's Field Trip Emergency Medical Information from the fall on file. Let me know if there have been changes or updates or if I'll need to administer medication during this overnight.

We will have a regular school day on Thursday, May 11 with students dismissed at 2:45 as usual. At 4:35 I will meet all students with their gear in the school lobby. If your child is in the afterschool program that day and you'd like me to sign them out, please let me know. At 4:45 we will leave the parking lot by bus to the Montshire where we will have pizza and lemonade before the program begins.

The evening will be filled with four great activities followed by "camping out" in one of the museum rooms. We will do a hike after breakfast Friday morning followed by time to explore the museum and gift shop. You may send along money for the gift shop if you wish. We'll take the bus back to TCS for lunch and the noon dismissal on Friday, May 12th.

Please call or see me if you have any questions or concerns about this trip. You can also check in with families who have participated in past years. Students love this class trip and still have positive memories.

Sincerely,

Jean Slayton

THIRD GRADE CLASS TRIP

Thursday, May 11 – Friday, May 12, 2017

I understand that _____
will attend an overnight camp-in experience at the Montshire Museum of Science on Thursday, May 11th, 2017. I understand that the third graders will take a bus to the Montshire on the 11th and return to school by bus on the 12th at 11:00 for lunch and a noon dismissal. (**You may want your child to take a hot lunch that day or drop off a bag lunch for your child in the office.)

My child will ride the bus home or be picked up at 2:45. I'll bring him or her back to TCS by 4:35.

My child will stay at TCS for the afterschool program and Mrs. Slayton has permission to sign him or her out that day. Be sure their gear is dropped off at school.

My child has medication (other than what is usually taken during school) that I will explain to Mrs. Slayton.

Other accommodations:

****Please let me know if this is your child's first overnight.****

Signed: _____
